Amber Jane Rios-APRIL 2009

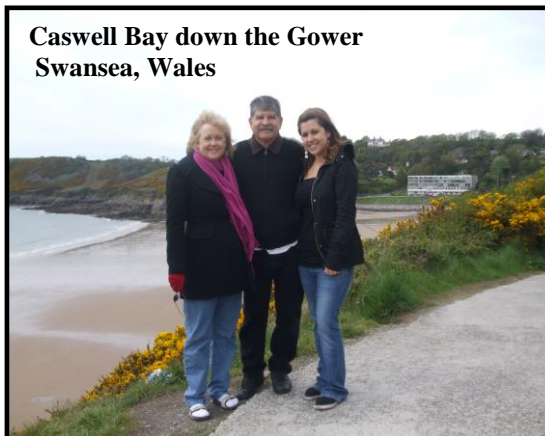

Hello Family & Friends!

The month of April has been so wonderful and full of surprises! As some of you know, an opportunity opened up for my parents to come out here to help us with the 'Teach the Word Conference' in Oxford, England. It was very short notice and a blessed surprise! My Parents and I along with a few others from church led the worship at the conference and it was a great blessing. Pastor Brian Brodersen from CC Costa Mesa and Pastor David Guzik from CC Siegen, Germany were the guest speakers for the day and did a great job. Cheryl Brodersen was here as well and did a special session for the women. This was our 2nd Annual Teach the Word Conference where all the Calvary's in the UK have the opportunity to gather together to Worship, study the Word, and to Fellowship. It was a great day and I look forward to next year's Conference!

I had a wonderful time with my Parents here in the UK. I was able to show them my life here in Wales, where I live, where the church office is, the people in the church etc...My Dad led worship with me on Sunday Morning and he was our guest speaker at the Thursday Night Home Bible Study. It was so special to have them here with me and to show them my life here in Cardiff. This trip was a gift from God and I am so grateful and blessed by it. Thank you Lord!

I can't believe how quickly the time has gone by. It is now the month of May and I am heading out tomorrow on my way back to Corona, California to prepare for the Wedding! I am looking forward to being with my family this month and I can't wait to see most of you shortly at CC Corona! Praise God for His goodness. Thank you all for your continued prayers and support for me and for CC Cardiff. Please keep all of us in prayer over the next few months as Steve and I along with Pastor John & Julie will be missing a few Sundays at some point and please pray for Steve & me as we prepare for marriage, the wedding, and my Visa application. Many thanks & blessings in Christ, Amber Jane
