## **Greetings from Cardiff!**

Thank you all for your prayers for Steve and myself; we are finally together and so blessed to be married! The Wedding was wonderful and the waiting for my Visa was trying, but God is so faithful and we are here together at last! As many of you know, Steve and I were married on June 13<sup>th</sup>, 2009 at Calvary Chapel Corona and had a wonderful two weeks together before Steve had to return to Wales whilst I waited for my Visa application to be approved. It took an unexpected 14 weeks for the Visa to come through but I praise God that He got me through it and taught me many lessons as I waited. During these 3 ½ months, I did get to spend precious time with my family which I am so thankful for. Praise be to our God and Savior Jesus Christ for His faithfulness!

Things have been a bit busy since I've been back as I'm settling in and catching up on paper work at the Church Office, but I'm glad to be back in it all! It has been so nice

to see everyone at the Church again. My first Sunday back we had a celebration after service with food and fellowship and we played the Wedding DVD so everyone got to see how the Ceremony went. Our Worship Team is growing and Robin did a wonderful job filling in for me as I was away these past five months. I am so happy and excited to be back and I thank you all for your continued prayers and support! Blessings,  
*Steve & Amber Vickery ☺*
